Heavy Duty Water Filled Barriers

OAKLANDS PLASTICS

Nexus Premium Barrier

Product Info:

The Nexus Premium barrier is the cornerstone of the multi directional 'jigsaw' linking system, providing a solid anchor for other lighter weight products.

Offering multiple delineation options for todays complex site layouts, Nexus solves the issue of incompatible or limited connectivity products.

Options include bespoke mesh or hoarding panels and Chapter8 reflective strip.

With a working length of 2 metres and a total filled weight of 408kg
